Tikkun Olam

Attn: CEO, President and Board-members!

Carpe Diem

**Allow me** Vice President **Gonzalo Quezada III** to introduce ourselves we are a part of a much larger collective that will reach around the world creating opportunities to become a part of us worldwide, join us today, we are a force to be reckoned with now.

**Today** you have the opportunity to become a part of something **greater than ourselves** by creating opportunities for other who may never be able to do for themselves. Join our program in the battle of occupation creation and together by helping us to do our part in **putting America and the rest of the world back to work** now then later.

We are one of the most unique 501 c3 nonprofit organizations because we offer sponsors remarkable opportunities throughout the developmental stages of our relationship. We have a lot to offer you today and years to come!

**Introducing:** Napoleon Madrid Industries (**NMI**) and other subsidiaries that are a part of our business think tank dealing in numerous fields of businesses in technology, education entertainment, law, and a never ending evolutional developing body.

We're reaching out to those that can believe that everything is possible when the right people come together, with an open mind, to help humanity for the greater good using our belief, "You believe, you achieve greater than you can ever imagine with us today."

Being a nonprofit gives us more advantages than most businesses because your assistance and participation maybe tax-deductible. This will allow your business to show the world that you care and at the same time we help you by increase your bottom line, by creating new revenues with and through us. We make you money.

1. I'm **Vice President Gonzalo Quezada III** of all the collectives and governing bodies of **NMI**.
